| Novice members are expected to be beginners with little experience in photography. They will be judged with the aim of giving constructive and helpful feedback to help them improve and develop their skills. They should be actively improving and expanding their knowledge. Becoming competent with exposure and composition and consistently producing technically good and aesthetically pleasing images. Before moving to the Open grade. |   | Open members have either been upgraded from Novice or have obtained their PSNZ letters or are professional photographers. They are expected to be able to produce technically correct photos nearly every time, with a high level of creative and aesthetic quality. Open members should continue to actively improve and grow their knowledge base. They will be encouraged to achieve PSNZ Letters and participate in external and interclub competitions |  |   |  |
