1st SUNDAY OF EVERY MONTH –

‘SUNDAY SESSIONS’ are self-motivated photo outings that will be organised by committee and/or members. Shooting any subject. They are perfect for keeping you inspired, getting you out and about using your camera, trying new things, and sharing knowledge. Feel free to bring along non-club members and friends if they are keen and want to find out more about the club. Images from the shoot can be shared through the club's closed Facebook page, or brought to club nights for feedback, help with problem solving and peer review.

We have a member's only closed group on Facebook, which we use to communicate with club members and make announcements about Sunday Sessions. It is not essential to be in this group, but we would be delighted if all members could be part of it as it does help us with letting people know what is happening in the club.
